4	<p><b>C. Read the following passage about Picasso then answer the questions.</b>                  Pablo Picasso was a famous Spanish artist. He grew up in Spain where he was born in                  1881. Picasso’s father was a painter and art teacher. <u>He</u> helped his son to develop his                  artistic ability. From the age of seven, Picasso had formal art lessons from his father.                  When he was ten years old, his family moved to Spain. He went to a famous art school in                  Madrid. However, Picasso was bored with the old teachings of art school. He didn’t want                  to paint like people hundreds of years ago. He wanted to create something new.                  He later moved to Paris, where he worked as an artist and created his wonderful                  drawings. During this time, he created his famous “Blue period” works. In 1907, Picasso                  painted a painting which is known to have been the first painting in the “modern art”                  movement. In 1907, he began to experiment with a new style of painting. He is best                  known for creating the Cubism style.                  One of the most interesting things about Picasso is that he was the first artist to be                  famous during his own lifetime. He was one of the most important artists of the twentieth                  century. He passed away on April 8, 1973.</p> <p>1. Why was Picasso bored with the old teachings of art school?                  .....</p> <p>2. Where did Picasso create his famous “Blue Period”?                  .....</p> <p>3. What is the main idea of the passage?                  a. Picasso and his “Blue period” works      b. Picasso’s early life                  c. Picasso’s life and works                      d. a New Style of Painting</p> <p>4. The underlined word “<u>He</u>” in the second line refers to .....                  a. Picasso      b. Picasso’s son      c. Picasso’s father      d. Picasso’s teacher</p> <p>5. Picasso wasn’t famous during his own lifetime.                      a. true      b. false</p> <p>6.
